The first concert in the 2008-2009 series of *Chapel Concerts by Candlelight* gives us the opportunity to celebrate the gift of a new Baldwin grand piano for the Third Church Chapel. *Dr. Ulrika Davidsson* will perform a wonderfully varied program in this first recital on the instrument. Ulrika has concertized throughout Europe as well as in the U.S., and has presented recitals and lectures at several international conferences. She is Assistant Professor of Organ and Historical Keyboards and teaches keyboard technique at the Eastman School of Music. She earned a Doctoral degree in piano and early keyboards at Eastman under Barry Snyder and William Porter. The piano is a generous gift from Bruce B. Bates and the Estate of Nancy S. Bates.

The *Chapel Concert by Candlelight* series is made possible in part through the generosity of the Janet S. and David B. Reed Fund.
