The 55-voice Chancel Choir of Third Presbyterian Church will present this Service of Choral Evensong in the tradition of English cathedrals and collegiate churches. This reflective liturgy is full of music, scripture and prayer. It will include works by Egil Hovland, Richard Shephard, Sir Charles Villiers Stanford and Ralph Vaughan Williams among others. The service of Evensong will be followed by a splendid tea.

The Chancel Choir serves as the cornerstone of an active music and arts ministry. In addition to singing weekly services from September through June, they perform several major works yearly, accompanied by orchestra.

They have toured Great Britain twice, in 2001 and 2005— singing concerts and serving as Choir-in-Residence at Rochester Cathedral, and at London's St. Paul's Cathedral.
