*Julian* is a dramatic monologue based on the life and times of Julian of Norwich and her written work, *Revelations of Divine Love*. Mystic, writer, spiritual guide, Julian is the first-known English woman whose written work survives. In the midst of great turmoil, Julian spoke words of comfort, of hope, of forgiveness, of revelation. She speaks to our time as well.

**Linda Loving** is an actress, writer, and ordained Presbyterian minister. She brings to the role of Julian a combined background in theater and theology. She has given over sixty performances of "Julian of Norwich" around the country and at Julian's Shrine in Norwich, England.

Presented in collaboration with the conference, *Living the Call: Celebrating 50 Years of Women's Ordination to Ministry*
