Have you ever wondered how the pipe organ works? How the instrument makes such a wide variety of sounds? Through this demonstration and mini-recital, Third Church Director of Music/Organist Peter DuBois will answer your questions and along the way will perform works by J. S. Bach and William Albright on the church's large Austin pipe organ. And in recognition of October 28 being Reformation Sunday, he will perform Max Reger's dramatic chorale fantasy on "A Mighty Fortress", Martin Luther's great Reformation hymn.

The organ console will be moved out in full view for this event, so don't miss this chance to hear - *and to see* - how the organ works!
