Stewardship 2011**

sharing our time and talents

Third Presbyterian Church is united by a common faith in Jesus Christ that leads us to worship God, to serve our neighbors, to seek fellowship with one another, and to live as faithful disciples.

Scripture promises that we are each God-gifted with talents and skills that serve to build up our community for the common good. Please consider how you might employ your time and talents through the mission and ministry of this congregation. You will find many opportunities for service listed here, and space to add your own. Please mark those areas where you are able and willing to share.

Additional copies of this Time and Talent pledge sheet are available in the church office or online at www.thirdpresbyterian.org.
